

TM-Buddy program September 2020

Dear Tourism Management student,

On behalf of NHL Stenden University, I would like to welcome you to the Tourism Management department. To start your studies well, you are invited to attend the StudyStartWeek. These days are packed with loads of information concerning the educational program, the NHL Stenden way of working and learning, and the university itself.

One of the things that NHL Stenden offers to help you have a good introduction to the University is **the Buddy Programme**

What does the Buddy Programme package contain?

A second- or third-year student (buddy) can assist you during your first module at NHL Stenden University to help you get familiar with:

- your schedule
- the PBL/ CBL / DBE system
- the intranet
- the use of Blackboard
- Progress
- Progress testing
- several important locations at NHL Stenden such as the Study Landscape, the library, the NHL Stenden shop, Info centre, Study centre, the Meditation Centre, the Grand Tour office, the Auditoria, I-Tech, the Canteen, as well as the offices of teachers and tutors of the Tourism Management department.
- the city of Leeuwarden
- the tax office
- the municipality
- the location of the closest supermarket
- the location of churches and religious centres - etc.

and to make you feel comfortable in Leeuwarden, your future second home.

If you would like a buddy, to receive some support in the beginning of your study, please send an email to Christine Fenech (christine.fenech@stenden.com).*

Please provide the following information:

- ***Your name***
- ***Your nationality***
- ***Your phone number***
- ***Your email address***

- ***Which track will you follow? Bachelors (4 years)/ Bachelors Short track (2,5 years) / Exchange or Fast track / or the AD programme***

Thank you and kind regards,

Christine Fenech

*If you decline a buddy now, but encounter questions at a later stage, you can ask for one later. In this case, please get in contact with Christine Fenech.
